Minutes of Meeting

Formation of Research Cell

Date: 06/11/25

Venue: Principal Office / Conference Hall

Members Present

- Principal – Chairperson
- Medical Superintendent
- Heads of Departments
- Senior Faculty Members
- Administrative Officer

Agenda

To constitute the committee as per NCISM norms for smooth academic and administrative functioning.

Resolution

It was unanimously resolved to constitute the Research Cell with the following objectives and responsibilities.

Functions

- Promotion of research culture among faculty and students
- Guidance for research proposals and projects
- Monitoring research publications and conferences
- Facilitating collaboration with research organizations

Conclusion

The meeting concluded with a vote of thanks to the chair.

Minutes of the Meeting:

Formation of the Institutional Research Cell (IRC)

Date: 06/11/25

Time: 12:00 PM

Venue: Principal's Office / Conference Hall

Chairperson:

1. Attendance

The meeting was attended by the Principal (Chairperson), Medical Superintendent, Heads of Departments (HODs), Senior Faculty Members, and the Administrative Officer.

2. Agenda

To formally constitute the Institutional Research Cell (IRC) as per NCISM norms to foster a robust research ecosystem, support faculty publications, and encourage student-led scientific inquiries.

3. Resolution

The Chairperson highlighted that research is the backbone of evidence-based Ayurveda. It was unanimously resolved to establish the Research Cell to streamline all intramural and extramural research activities.

Core Objectives:

- **Capacity Building:** Training faculty and students in modern research methodology.
- **Ethical Oversight:** Ensuring all projects comply with IEC (Institutional Ethics Committee) guidelines.
- **Output Management:** Increasing the number of quality publications in indexed (Scopus/PubMed/UGC-CARE) journals.

4. Proposed Annual Research Calendar

Focus Area	Proposed Activity
1 Constitution	Official notification of IRC members and formation of the Institutional Ethics Committee (IEC).

2 Orientation

Workshop on "Basics of Research Methodology and Bio-statistics" for faculty.

-
- | | | |
|----|---------------------------|--|
| 3 | Proposal Call | Inviting "Intramural Research Proposals" from faculty and students for small-scale institutional funding. |
| 4 | Ethics Review | Convening the IEC meeting to review submitted protocols and grant ethical clearance. |
| 5 | Scientific Writing | Hands-on training: "How to Write a Research Paper and Select the Right Journal." |
| 6 | Interim Review | Progress review meeting of ongoing departmental research projects and clinical trials. |
| 7 | External Grants | Seminar on applying for grants from CCRAS, AYUSH, ICMR, and DST. |
| 8 | IPR & Patents | Workshop on Intellectual Property Rights (IPR) and patent filing procedures for Ayurvedic formulations. |
| 9 | Data Analysis | Practical session on using statistical software (SPSS/R/Excel) for research data. |
| 10 | Publication Drive | Targeted desk-review of draft manuscripts to ensure they meet high-impact journal standards. |
| 11 | Collaborations | Initiating MOUs with local pharmacies, laboratories, or allied medical colleges for cross-disciplinary research. |
| 12 | Annual Report | Publishing the "Annual Research Compendium" highlighting the year's publications and awards. |
-

5. Conclusion

The Principal emphasized that every department must aim for at least two quality publications per year. The meeting concluded with a vote of thanks to the Chair.

To,

All Faculty Members

Raigarh Medical College and Hospital of Ayurveda.

Subject: Invitation to Hands-on Training on Scientific Writing and Journal Selection.

In alignment with the NCISM focus on "Scientific Writing and Publication Ethics," the RIED Cell is organizing a training session. This workshop will cover manuscript structuring and criteria for selecting high-impact, indexed journals to ensure our institutional research reaches the global scientific community.

Date: 07/11/25

Time: 10:30am

Venue: Principal's Office / Conference Hall:

To,
Faculty, All UG Students,
Raigarh Medical College and Hospital of Ayurveda

Subject: Workshop on Intellectual Property Rights (IPR) and Patent Filing Procedures for Ayurvedic Innovations.

Dear All,

As we transition toward a more innovation-centric curriculum in the **Third Professional Year**, the RIED Cell is pleased to announce a comprehensive workshop on **Intellectual Property Rights (IPR)**. This initiative aligns with NCISM's mandate to prepare future Ayurvedic physicians not just as clinicians, but as researchers and entrepreneurs.

Workshop Objectives:

- **Curriculum Integration:** To fulfill the requirements of the BAMS syllabus which emphasizes professional ethics and legal frameworks in Indian Systems of Medicine.
- **Institutional Innovation:** To empower the **Institutional Innovation Committee (IIC)** in identifying and protecting indigenous research.

Key Technical Sessions:

1. Navigating the 2025 AYUSH Patent Guidelines: Detailed session on the Indian Patent Office's "Guidelines for Examination of AYUSH Related Inventions, 2025", focusing on how to distinguish novel research from traditional knowledge.
2. Section 3(p) and TKDL Compliance: Understanding how to use the Traditional Knowledge Digital Library (TKDL) to verify novelty and avoid "biopiracy" rejections.
3. Patentability of AYUSH Devices & Processes: Practical guidance on patenting modern Ayurvedic equipment (e.g., automated Panchakarma devices) and innovative extraction processes that demonstrate enhanced efficacy.
4. Biological Diversity Act Compliance: Training on mandatory National Biodiversity Authority (NBA) approvals for research involving Indian biological resources.
5. Hands-on Patent Drafting: A practical session on filing Form-1 and drafting specifications that meet industrial applicability standards.

Event Details:

Date: 15/12/2025

Venue: Raigarh Medical College and Hospital of Ayurveda

Resource Person:

We encourage all final-year students and faculty to participate actively to ensure our institutional research is globally recognized and legally protected.

Let us celebrate this step toward making Ayurveda a leader in global healthcare innovation!
